FOREWORD

Shakespeare has said, "All the world's a stage and all the men and women merely players."

On these pages we have tried to record one scene from our "play of life", the story of our wonderful high school days. Here you will find the cast of characters and the role played by each—some large, some small—yet each one in some way played a part. Many read their lines beautifully; others missed their cues and failed in their parts. Here also you will find the directors and producers, our teachers — who guided us through this "play of life".

And so the stage is set and the curtain is going up and the scene is Jonesboro-Hodge High School — 1950-1951!

DEDICATION

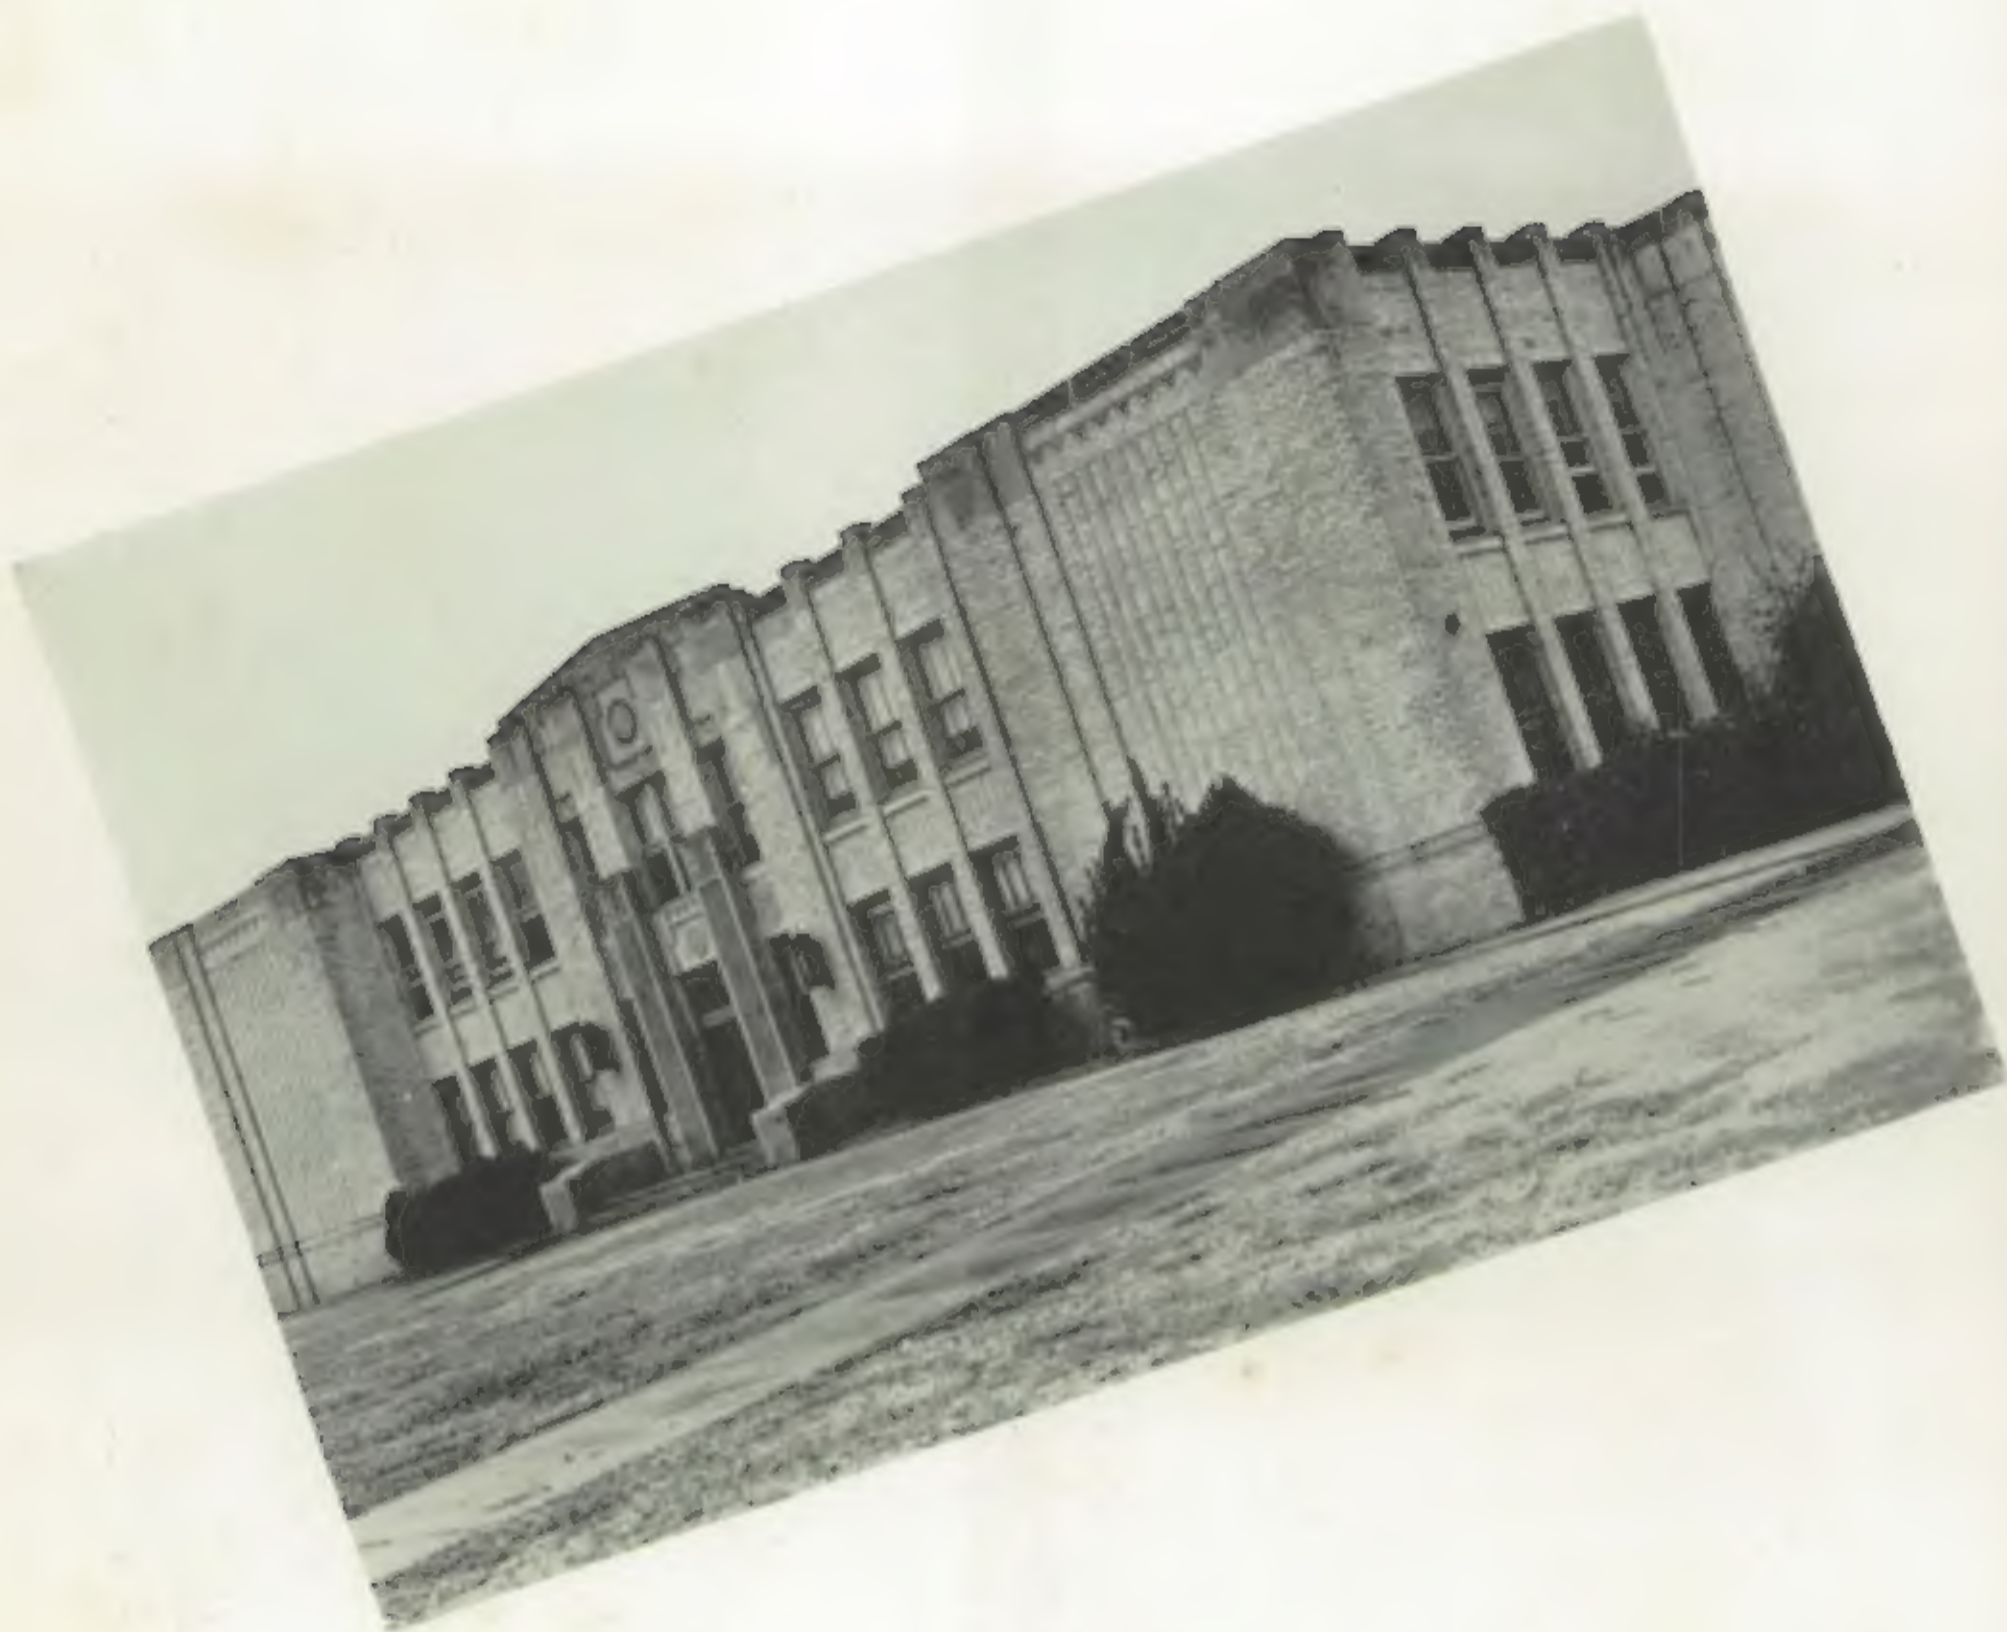

BECAUSE he holds the welfare of every student close to his heart—

BECAUSE he has never failed to help us in any of our activities—

BECAUSE he is constantly searching for ways to make our school a better place in which to work and play—

WE, the seniors of Jonesboro-Hodge High School, dedicate the 1951 Kraftsman to our friend, W. G. Bailey.

A Message From the Principal

To the entire staff and the sponsors, the student body and faculty, I extend my sincere congratulations for this outstanding annual and my best regards to you for the spirit you have always shown in making a contribution such as this the very best possible.

The brevity of this expression should not be construed to mean that I do not deep down in my heart hold a spark of love and affection to everyone who has so loyally had a part in making the school and all its activities during 1951, one of the greatest years ever.

I wish each of you the best success possible and stress again that I stand ready and willing to help you in your rightful endeavors.

Our Senior Year

*Oh, what it is to be a Senior!
To look over all with pride as you linger,
To feel like a bird gliding in a calm
After bucking a storm before the dawn.*

*That's how we felt our first Senior Day—
Very important, happy and gay,
We were determined to make some A's
But we lost all that after a couple of days.*

*We lifted our heads high
And watched the Freshmen go shyly by.
We saw the expression on their faces
As they viewed the strange new places*

*We had fun during Freshman Initiation,
For which they show little appreciation.
We went to every football game
And saw most of the opponents pilt to shame.*

*After the Christmas and New Year Fiestas
We all settled down for the second Semester.
Our basketball team wasn't forsaken,
For it was seldom they were over-taken.*

*The part that we all liked best
Was that of taking the final test.
We went around with a great big grin
And knew that soon it would come to an end.*

*Then came time for graduation,
Which found us tense with anticipation—
Although we regretted leaving our friends,
High School, they say, is where real life begins.*

*As we said good-bye and started to part,
We knew that in old J-H belonged our heart.
And if I had it to do over again,
I believe I would start as a Freshman.*

1950 Sports Review

The Tigers came through with a season's record that seemed to be a surprise to everyone but themselves. They won nine while dropping only two scheduled games and one to Bossier City in the Bi-District Championship Playoff. In winning the Northeast district title, the Tigers compiled a record of six conference wins against no defeats.

At the annual football banquet trophies were awarded to the following: Jack Bennett, best lineman; Wayne Shows, best blocker; David Moore, best sportsman and best trainer; Dickey Koonce, best back. A trophy was also awarded to the coaches, Jagers, Dowies, and Tabarlet by the boys to be placed in the trophy case. Letterman jackets were awarded twenty-four boys and sweaters to five cheerleaders and two managers.

Miss Ruby Riddle was crowned Homecoming Queen at the Farmerville game. Her friends were Bobbie Tyler, June Garrett, Nell Driskill and Dixie Weaver.
